Invitation to Showcase Your Books at the Conference

Dear Doctor,

Greetings from the Organising Committee!

As part of our upcoming **ISNWZ Conference on 11th, 12th & 13th September 2026** in Nashik, we are pleased to introduce a special initiative celebrating the knowledge, creativity and stories that extend beyond clinical practice.

EXCLUSIVE BOOK DISPLAY AREA - Celebrating Doctors, Patients & Their Stories

We invite all participating doctors to bring along **books authored by you or by your patients** for display in our specially curated **Book Display Area** at the conference.

The books may be:

- **Medical** – Research, clinical knowledge, healthcare, case studies, reference books, patient education, etc.
- **Non-Medical** – Fiction, poetry, biographies, travel, philosophy, self-development, spirituality, business or any other genre.
- **Books authored by your patients** – Medical or non-medical works that deserve to be recognised and shared with the medical fraternity.

The objective is to create a unique space where the ISNWZ community can discover and appreciate the **authors, thinkers and storytellers within and around the profession.**

Please Note

This initiative is for **display and knowledge-sharing purposes only**. No commercial sale of books will be undertaken by the organisers at the display area.

Doctors who wish to participate are requested to bring a copy of the book to the conference and submit it at the designated Book Display Desk.

Bring a Book. Share a Story. Inspire a Community.

Warm Regards,

Organising Committee ISNWZ Conference 2026

Dr. Deodatta Chafekar
Organizing Chairman

Dr. Nagesh Aghor
Organizing Secretary
